Program Assistants P/T

We have several positions available in what we believe is one of the most important positions within our organization. Working "one on one" in the home of a child with a special need and supported by a multi-disciplinary clinical team, the successful applicants will be energetic and have experience working with special needs children or be willing to learn. Wage rates are \$13.50 to \$15.00 per hour. In certain cases, some late afternoon or evening work may be required.

Program assistants will:

- Be working with special needs children in a group setting as well as in the home setting.
- Will be working on specific tasks set up by workshop leaders during the group sessions.
- Will continue development of skills at home.
- Assist with communication.
- Carry out or assistance with behaviour modification and other therapeutic programs as specified in a child's IPP or ISP and Assist in preparation of learning materials and environment.

Qualifications:

A degree or diploma and/or experience in a related field such as rehabilitation, psychology, early childhood education, special education, social work or child development is preferred. Students currently enrolled in a post-secondary institution in any of these disciplines are also eligible.

A First Aid certificate and a cardiopulmonary resuscitation (CPR) certificate are required.
